OFFICE OF THE PRESIDENT

May 31, 2005

Dear Mr. Jorgensen,

On behalf of the Royal Conservatory of Music, I congratulate you, together with faculty and students of The Glenn Gould School, on the recent success of the musical-drama presentation, "Chopin and The Nightingale", at The Royal Ontario Museum on April 24, 2005.

Your artistic and financial support of the event were vital elements in the mounting of this worthwhile endeavour and your ongoing presentation of our school's profile through your website at Icons of Europe reinforces the spirit of our international collaboration; a spirit that we strive to advance as an organization and as a school that trains the next generation of performing artists.

I hope that the future will witness further collaborations of this kind. I will look forward to hearing news of their production.

Most sincerely,

Dr. Peter Simon
President
